COLLEGE CREDIT PLUS

College Credit Plus (CCP) allows students in grades seven through 12 to earn college and high school credits at the same time by taking courses at Tri-C. The program promotes rigorous academic pursuits and provides a wide variety of options to college-ready students. Courses taken through the CCP program are typically free, with no out-of-pocket cost for tuition, books or fees. Visit Tri-C's CCP web page for the most up-to-date information.

Early Admission

Students who are not eligible for CCP, do not want their grade reported on the high school transcript, or want to take a class for personal enrichment may apply as early admit students. Students must:

- Be in grades seven through 12
- Complete a Tri-C application
- Contact the CCP Office to request Early Admit Status
- Have placement scores on file
- Request an appointment with a Tri-C counselor for course selection assistance
- Pay out of pocket for coursework
