VCPH-1450 Digital Imaging I 3 Credits

Introduction to technical and aesthetic fundamentals of digital image manipulation using the most current computer software and hardware systems for the input, modification and output of digital photographs.

Lecture: 2 hours. Laboratory: 3 hours

Prerequisite(s): VC-1000 Visual Communication Foundation or concurrent enrollment; or FILM-1180 Introduction to Film and Media Arts, or concurrent enrollment.

VCPH-179H Honors Contract in Photography 1 Credit

Honors Contract complements and exceeds requirements, outcomes and objectives for an existing VCPH-1000-level honors course through formulation of a contract with a faculty mentor, which upon completion will result in distinctive scholarship. This honors independent study may also be taken with a non-honors course. When taken with a non-honors course, the Honors Contract adds an honor experience to that course. Honors contract requires student to meet on a regularly scheduled basis with the instructor for mentor-student tutorial sessions. A maximum of six Honor Contracts (6 credit hours) may be taken (includes 179H and 279H).

Lecture: 1 hours

Prerequisite(s): Must be taken concurrently with a 1000-level course whose instructor agrees to mentor the student in this contract. Departmental approval required.

VCPH-1812 Spec Topic: Photo Expeditions 3 Credits

Explore specific off-site locations with your smartphone, DSLR, or mirrorless camera, and a packed meal. This course will spend an exciting day of each week shooting on location, and the second day editing, and completing post-production, followed by a critique of Tuesday's photography shoot. Whether your focus is landscape, street photography, collaborative-portraiture, or another genre of photography, discovering your personal vision within new environments is the focus of this exploratory class. Camera-RAW file format capability is required. Students are expected to have their own transportation, as travel to off-campus locations is a required component of this class. External hard-drive required.

Lecture: 2 hours. Laboratory: 3 hours

Prerequisite(s): None. Lightroom Classic experience is recommended.

VCPH-1820 Independent Study/Research in Photography 1-3 Credits

Directed Individual study. Study/research title and specific content arranged between instructor and student (see Credit Schedule of classes for current offerings). May be repeated for a maximum of six credits of different topics.
