

# CULINARIAN/COOK, SHORT-TERM CERTIFICATE

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics requirement. These courses were re-classified as developmental mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.

Culinarian/Cook Short Term Certificate provides career opportunities in the culinary arts industry. Career opportunities include, but not limited to, line cook, grill, or saute cook, prep cook, and pantry cook.

**Program contact:** Learn more

**This certificate will be automatically awarded when the certificate requirements are completed. If you do not want to receive the certificate, please notify the Office of the Registrar at RegistrarOffice@tri-c.edu.**

## Program Learning Outcomes

This program is designed to prepare students to demonstrate the following learning outcomes:

1. Apply proper sanitation principles to meet industry standards and government regulations, and successfully complete ServSafe Certification Exam.
2. Identify and apply basic culinary terminology, knife skills, and cooking techniques while multitasking, problem solving, and managing stress levels within a diverse hospitality environment.
3. Listen and effectively communicate in a positive, professional, and ethical manner with customers and co-workers of diverse backgrounds to create an exemplary hospitality experience.
4. Use culinary math and measurements to convert and modify basic recipes.
