

FAST-TRACK WELDING CERTIFICATE PROGRAM

Program description

The Fast-Track Welding certificate program provides basic training in the fundamental skills of Stick (Shielded Metal Arc), MIG (Metal Inert Gas) and TIG (Tungsten Inert Gas) welding. This 280-hour program prepares students for careers in the welding industry. Learn to weld in a state-of-the-art welding lab with current, high-tech equipment from Lincoln Electric. Upon completion, students test for the AWS MIG, TIG and Stick certifications. If they pass, students will receive between 1F and 4G AWS (American Welding Society) certifications.

Other important information

Successful candidates are granted interviews with companies offering welding jobs in Northeast Ohio.

Program cost

\$4,995

Financial aid eligibility

This program is **not** Federal Financial Aid/Pell-Eligible.

Scholarships, payment plans, and other financial aid options may be available. For more information, call 216-987-6000, option 1.

Upon completion, students receive

American Welding Society certifications in MIG, Stick and TIG welding
