Cuyahoga Community College Foundation and Alumni Relations

The mission of the Cuyahoga Community College (Tri-C®) Foundation is to provide resources for advancing student success at Tri-C and transform the lives of those Tri-C serves.

As a driving force for the economic prosperity and future of Northeast Ohio, Tri-C provides individuals with the skills they need to succeed. With support from corporations, organizations, friends, employees and alumni, the Tri-C Foundation provides critical support for student scholarships and services, along with funding for program development and enhancement. During the 2022-2023 academic year, more than 3,500 students received over \$4.5 million in scholarships.

Support for student success through the Tri-C Foundation is an investment toward a thriving Northeast Ohio now and for years to come. For more information or to make a contribution, contact the Office of Resource Development and Tri-C Foundation at 216-987-4868 or visit tri-c.edu/give.
