

ABOUT CUYAHOGA COMMUNITY COLLEGE

Education at Cuyahoga Community College (Tri-C[®]) is a life-changing experience. Tri-C has enriched lives and helped build solid futures for more than 1 million students — from those who stood in line at the Brownell School building in 1963 to register for Tri-C's first classes to those who register online today. The far-reaching effects of a Tri-C education have touched not only individual students, but their families and communities as well.

Tri-C faculty, staff and administration are dedicated to providing innovative and flexible services to students and the broader community. This commitment is expressed through a curriculum and academic experience that produces students who are competitive within the job market, well-educated and informed. Whether these students are on the threshold of an exciting career, returning for new skills training or simply taking courses in a field of interest, the academic experience at Tri-C meets their unique needs.
