

# CORPORATE COLLEGE

## About us

[www.corporatecollege.com](http://www.corporatecollege.com)

Founded in 2003, Corporate College offers Northeast Ohio businesses and individuals professional training and development, along with state-of-the-art meeting and conference space. As part of the College's Workforce, Community and Economic Development Division (WCED), we provide access to industry experts, skilled training professionals and professional development programs to ensure we deliver the right solutions for your unique business needs. Corporate College has locations in Warrensville Heights and Westlake, and offers classes at the Brunswick University Center.

## Mission statement

Corporate College's mission is to provide high-quality training and consulting expertise that drives business growth for organizations and professionals.

## Professional development
