

WELCOME TO TRI-C

A MESSAGE FROM THE PRESIDENT

Dr. Michael A. Baston

Welcome to Cuyahoga Community College (Tri-C[®]). As we celebrate the 61st year since the College's inception, more than 1 million individuals like you have used our course catalog to plan a successful future. We are delighted that you have selected Tri-C as the place to continue your education or career development, and we are ready to assist you along the way.

You can choose from more than 1,000 credit courses each semester in more than 200 career and technical programs in nine career pathways, designed to guide you from your first semester through to completion – whether that be an associate degree, certificate, or transfer to one of our many four-year partner institutions. Stackable certificates embedded throughout these pathways allow you to earn credentials on your journey toward graduation, transfer, or employment.

The College also provides flexible learning options to fit your busy lifestyle with online, on-site, and hybrid courses that can be completed in time frames ranging from five to 16 weeks. Our conveniently located campuses and facilities are in Brunswick, downtown Cleveland, Euclid, Highland Hills, Parma, and Westlake.

Tri-C's innovative, inclusive learning environment and countless resources empower you to succeed in the classroom – and, subsequently, in your career. Many support services are available to assist you throughout your time at Tri-C. Academic advising, tutoring, career counseling, mentoring, and more are available online and in person.

Additionally, you'll enjoy a vibrant campus experience that includes student clubs, volunteer opportunities, performing arts, intercollegiate athletics, and recreation facilities. Our four campuses offer outstanding amenities, including wireless internet, wellness facilities, libraries, and study areas.

Tri-C is the community's College. It belongs to you. We invite you to discover everything Tri-C offers as you take the next step toward academic and career success.
