

ACADEMIC INFORMATION

2023-2024 Academic Calendar

A complete list of Academic Progress Reporting and Withdrawal dates is available on the Academic Calendar. Dates are subject to change.

Fall Semester 2023

Full Term	16-week August 28, 2023 - December 17, 2023
Session A	8-Week August 28, 2023 - October 22, 2023
Session B	8-Week October 23, 2023 - December 17, 2023
Session O	14-Week September 11, 2023 - December 17, 2023

Spring Semester 2024

Full Term	16-Week January 16, 2024 - May 12, 2024
Session A	8-Week January 16, 2024 - March 10, 2024
Session B	8-Week March 18, 2024 - May 12, 2024
Session O	14-Week January 29, 2024 - May 12, 2024

Summer Session 2024

Full Term	10-Week May 28, 2024 - August 4, 2024
Session J	5-Week May 28, 2024 - June 29, 2024
Session L	8-Week June 10, 2024 - August 4, 2024
Session K	5-Week July 1, 2024 - August 4, 2024

Advanced Placement Exams

The State of Ohio has initiated policies to facilitate the ease of transition from high school to college, as well as between and among public colleges and universities.

Beginning in the Fall 2009 semester:

- Students obtaining an Advanced Placement (AP) exam score of 3 or above will be awarded the aligned course(s) and credits for the AP exam area(s) successfully completed.
- General education courses and credits received will be applied toward graduation and will satisfy a general education requirement if the course(s) to which the AP area is equivalent fulfill(s) a requirement.
- If an equivalent course is not available for the AP exam area completed, elective or area credit will be awarded in the appropriate academic discipline and will be applied toward graduation where such elective credit options exist within the academic major.

- Additional courses or credits may be available when a score of 4 or 5 is obtained. Award of credit for higher score values varies depending on the institution and academic discipline.

In academic disciplines containing highly dependent sequences (e.g., science, technology, engineering and mathematics), students are strongly advised to confer with the college/university advising staff to ensure they have the appropriate foundation to be successful in advanced coursework within the sequence. Learn more about AP credit awards at Tri-C.

Change of Major Field of Study

Students should change their major field of study by the 15th day of the semester. Any changes of major received after the 15th day of the semester will become effective for the following semester. Students can update their academic major by submitting changes through *my Tri-C space*. We recommend that students check with a counselor before changing majors. **All students utilizing financial aid must have a declared major on file.**

Cross-Registration

Qualifying full-time Tri-C students (currently registered for 12 or more credits) may register for one course per semester during the regular academic year, on a space-available basis, at any of the institutions participating in the cross-registration program. Participating colleges and universities in the area include Baldwin Wallace University, Case Western Reserve University, Cleveland Institute of Art, Cleveland State University, John Carroll University, Kent State University, Notre Dame College, Ursuline College and Youngstown State University.

These host institutions waive tuition and general fee charges for courses taken as part of the cross-registration program. Tri-C students are billed for the number of credits taken at the host institution using the Tri-C tuition rate once confirmation of registration is received from the host institution. Tuition and fees assessed for a cross-registration program course will be equal to tuition and fees paid by other Tri-C students with the same total number of credits and residency status.

Participation must be approved by Tri-C, and course availability must be verified by the host institution. Cross-registration forms and registration information are available in the Enrollment Center on each campus. Cross-registration is not available during the summer session. Cross-registration is available on the Friday prior to the start of class.

DegreeWorks

DegreeWorks is a software tool that significantly eases the academic advising process by comparing academic program requirements against a student's academic history. The resulting report lists courses taken that apply toward graduation, courses yet to be taken and courses that do not apply to the program major. The ability of both students and staff to obtain this information is part of an effective academic advising program.
