

ASSOCIATE OF APPLIED BUSINESS

Degree candidates at Cuyahoga Community College (Tri-C®) must be in good standing. An Associate of Applied Business degree will be granted to the student completing the following requirements.

Comprehensive Graduation Requirements

The Associate of Applied Business degree prepares students with the skills necessary to enter and compete effectively in today's workforce.

- The satisfactory completion of 60 semester credit hours at the 1000-level or higher. No more than three of the 60 credit hours can be completed in physical education.
- The achievement of a minimum overall grade point average (GPA) of 2.00 for all courses attempted at Tri-C (with exceptions as provided under College policies for repeating a course, Grade Forgiveness and Fresh Start).
- The completion of a minimum of 12 credit hours of advanced coursework (exclusive of 1800-level special topics and independent study/research courses) of the 60 semester credit hours. Advanced coursework is defined as follows: 2000-level courses, MATH-1400 level and above, BIO-1500 level and above, CHEM-1300 level and above and PHYS-1200 level and above.
- The completion of no fewer than 20 of the required 60 semester credit hours at the 1000 level or higher while in attendance at Tri-C.
- Special Topics, Independent Study/Research and Cooperative Education courses may be applied to the general education and program graduation requirements unless otherwise noted.

General Education Requirements

Each of the College's degree programs require that students complete a set amount of courses in the areas of general education that include: Communication, Mathematics and Data Analysis, Natural and Physical Sciences, Arts and Humanities, and Social and Behavioral Sciences. Students completing the general education requirements, along with the specific program requirements for a degree, will have achieved the College's general education outcomes.

All Associate of Applied Business degrees have been designed to meet the general education requirements as listed below. Most programs have selected specific courses to meet the general education requirements. For program specific requirements and/or recommendations, see the Associate of Applied Business degree program sequences in this catalog.

Communication (6 semester credit hours)

The communication skills of reading analytically, writing fluently, listening critically and speaking articulately are essential. Students must complete the following to meet this requirement:

- ENG-1010 College Composition I or ENG-101H Honors College Composition I¹
- Three semester credits selected from the following courses:
 - ENG-1020 College Composition II or ENG-102H Honors College Composition II
 - ENG-2151 Technical Writing
 - COMM-1010 Fundamentals of Speech Communication or COMM-101H Honors Speech Communication

¹ Students who transfer in credits for ENG-1020 College Composition II without having credit for ENG-1010 will have ENG-1010 waived, but the required 6 credit hours in Communication must be earned.

Mathematics and Data Analysis (3 semester credit hours)

The ability to integrate numerical methods for use in today's workforce is essential. Students must complete the following to complete this requirement:

- Three semester credits of Mathematics at the 1000-level or higher.

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics requirement. These courses were re-classified as developmental mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.

Code	Title	Credit Hours
PHIL-1020	Introduction to Logic	3
MATH-1190	Algebraic and Quantitative Reasoning	3
MATH-1380	Mathematics for Elementary and Middle School Teachers II	4
MATH-1410	Elementary Probability and Statistics I	3
MATH-1420	Elementary Probability and Statistics II	3
MATH-1470	Modern Mathematics for Business and Social Science I	4
MATH-1480	Modern Mathematics for Business and Social Sciences II	4
MATH-1490	Business Probability and Statistics I	3
MATH-1500	Business Probability and Statistics II	3
MATH-1530	College Algebra	4
MATH-153H	Honors College Algebra	4
MATH-1540	Trigonometry	3
MATH-154H	Honors Trigonometry	3
MATH-1580	Precalculus	5
MATH-1610	Calculus I	5
MATH-161H	Honors Calculus I	5
MATH-1620	Calculus II	5
MATH-162H	Honors Calculus II	5
MATH-2010	Introduction to Discrete Mathematics	4
MATH-2310	Calculus III	4
MATH-231H	Honors Calculus III	4
MATH-2410	Introduction to Linear Algebra	3
MATH-2520	Differential Equations	3

Arts and Humanities/Social and Behavioral Sciences/ Natural and Physical Sciences (6 semester credit hours)

The appreciation of the achievements of the Arts and Humanities, Social and Behavioral Sciences, and Natural and Physical Sciences provides the ability to integrate learning within a complex global perspective;

to gain an awareness of and respect for different cultures; to integrate ethical decision making in dealing responsibly with personal, family and community issues; and to understand, analyze and describe aspects of human behavior from diverse political, social, historical and cultural perspectives. To meet this requirement, students must complete the following:

- Select six semester credits from at least two of the following areas, with a minimum of three credits in each area:

Arts and Humanities

Art Code	Title	Credit Hours

WGS-1510	Introduction to Women's and Gender Studies	3
WGS-151H	Honors Introduction to Women's and Gender Studies	3
WGS-2010	Women in the World	3
WGS-201H	Honors Women in the World	3

Program Requirements

Program requirements are outlined by the specific technical program sequences in this catalog. Approximately half of each Associate of Applied Business program requirements must include a minimum of 15 additional credits of general education or applied general education (i.e., "basic" coursework) for a total of 30 credits of nontechnical coursework. Applied general education includes a focus on "21st-century" skills and knowledge, including information and communication literacy; critical thinking and problem-solving; interpersonal and collaborative skills; global awareness; and financial, economic, business and civic literacy. Technical program concentrations should consist of 12 to 16 semester credits of technical specialization including a minimum one-semester credit Capstone Course.

The Capstone Course provides students with opportunities to apply technical, oral and written skills; to prepare resumes and/or portfolios and develop interview skills; to study history and trends in the profession; and/or to discuss ethical and global issues within the profession. Program requirements are identified in the Associate of Applied Business degree program sequences in this catalog.

Cross-listed Courses

Cross-listed courses are identical courses offered in two or more subject areas. They differ only in subject area code and course number. Credit may be earned once for cross-listed courses.
