

BACHELOR OF APPLIED SCIENCE

Degree candidates at Cuyahoga Community College (Tri-C®) must be in good standing. A Bachelor of Applied Science degree will be granted to the student completing the following requirements.

Comprehensive Graduation Requirements

The Bachelor of Applied Science degree prepares students with the skills necessary to enter and compete in today's workforce.

- The satisfactory completion of 120 semester credit hours at the 1000-level or higher. No more than three of the 120 credits can be completed in physical education.
- The achievement of a minimum overall grade point average (GPA) of 2.00 for all courses attempted at Tri-C (with exceptions as provided under College policies for repeating a course, Grade Forgiveness and Fresh Start).
- The completion of a minimum of 24 credit hours of upper division coursework (exclusive of special topics and independent study/research courses) of the 120 semester credits and the last 30 credit hours while in attendance at Tri-C. Upper division coursework is defined as follows: 3000 and 4000 level courses.
- Special Topics, Independent Study/Research and Cooperative Education courses may be applied to the general education and elective graduation requirements unless otherwise noted.

General Education Requirements

Each of the College's degree programs require that students complete a set amount of courses in the areas of general education that include: Communication, Mathematics and Data Analysis, Natural and Physical Sciences, Arts and Humanities, and Social and Behavioral Sciences. Students completing the general education requirements, along with the specific program requirements for a degree, will have achieved the College's general education outcomes.

Communication (Six Semester Credit Hours)

The communication skills of reading analytically, writing fluently, listening critically and speaking articulately are essential. Students must complete the following to meet this requirement:

- ENG-1010 College Composition I or ENG-101H Honors College Composition I¹
- ENG-1020 College Composition II or ENG-102H Honors College Composition II or ENG-2151 Technical Writing

¹Students who transfer in credits for ENG-1020 without having credit for ENG-1010 will have ENG-1010 waived, but students must select another Ohio Transfer 36 approved course to fulfill the 3 credits. The replacement course may be selected from any approved Ohio Transfer 36 course. COMM-1010 Fundamentals of Speech Communication or COMM-101H Honors Speech Communication are highly recommended.

Mathematics and Data Analysis (Three Semester Credit Hours)

The ability to integrate numerical, symbolical and spatial methods for scientific inquiry into the physical, natural or social and behavioral

sciences is essential. Students must complete the following to meet this requirement:

- Three semester credit hours selected from the following courses (MATH-1400 level or higher):

Code	Title	Credit Hours
MATH-1410	Elementary Probability and Statistics I	3
MATH-1420	Elementary Probability and Statistics II	3
MATH-1470	Modern Mathematics for Business and Social Science I	4
