

LEARNING COMMONS

A full range of library, testing, tutoring, academic computing, and educational media support is available to students and faculty in the Learning Commons on each campus.

Each campus Learning Commons provides access to a variety of resources and information – librarians to assist with research, course materials placed on reserve by instructors, study spaces, computer labs, laptops and equipment loans. Students may use Tri-C's College-wide catalog to browse a collection of more than 170,000 books, periodicals, newspapers, non-print media, materials from local libraries and academic resources throughout the state of Ohio. Testing Center staff administer placement tests and proctor exams for online courses and students that may require accommodations.

The open computer lab provides access to the latest learning technologies – computers, academic software, network resources and information services. Learning Commons staff is available Monday through Saturday to help with College-related computer applications.

Each campus Learning Commons also provides a wide variety of tutoring and media support services including access to and setup of equipment for classrooms and events.
