

TUTORING SERVICES

Tutoring services are offered online and in person at each campus to help students improve skills, develop strengths and maximize achievement in many college courses. Study guides, outlines and books help students organize their work. One-on-one appointments, small-group tutoring, and drop-in sessions are available in many academic subjects. Smarthinking is an additional resource available to students in select subject areas.

Visit the Tutoring Services website or contact Tutoring Services your campus to learn more.

Eastern Campus (ESS 1108): 216-987-2343

Metropolitan Campus (MSS 4th Fl.): 216-987-4253

Western Campus (WTLC GT 115): 216-987-5683
