

OHIO COLLEGE TECH PREP

Ohio College Tech Prep is a seamless, non-duplicative, integrated pathway of education and experience that starts in middle school, continues in high school and through postsecondary, and leads to success in a student's chosen technical career field. It prepares students for high-skill, high-demand technical careers in a competitive global economy.

The curriculum reflects real-world technical careers in high demand today. Programs may be offered in the following career fields: Agriculture and Environmental Systems; Arts and Communication; Business and Administrative Services; Construction Technologies; Education and Training; Engineering and Science Technologies; Family and Consumer Science; Finance; Government and Public Administration; Health Sciences; Hospitality and Tourism; Human Services; Information Technology; Law and Public Safety; Manufacturing Technologies; Marketing; and Transportation Systems.

Tri-C serves as a higher education partner of the Ohio College Tech Prep Partnership, offering college credits to high school Tech Prep students. Tech Prep enables a smooth transition from high school into two- and four-year college degree programs.
