

ACADEMIC INFORMATION

2021-2022 Academic Calendar

Complete list of Academic Progress Reporting dates and Withdrawal dates are available on the Academic Calendar. Dates are subject to change.

Fall Semester 2021

Full Term	16-week August 30, 2021 - December 19, 2021
Session A	8-Week August 30, 2021 - October 24, 2021
Session B	8-Week October 25, 2021 - December 19, 2021
Session O	14-Week September 13, 2021 - December 19, 2021

Spring Semester 2022

Full Term	16-Week January 18, 2022 - May 15, 2022
Session A	8-Week January 18, 2022 - March 13, 2022
Session B	8-Week March 21, 2022 - May 15, 2022
Session O	14-Week January 31, 2022 - May 15, 2022

Summer Session 2022

Full Term	10-Week May 31, 2022 - August 7, 2022
Session J	5-Week May 31, 2022 - July 2, 2022
Session L	8-Week June 13, 2022 - August 7, 2022
Session K	5-Week July 5, 2022 - August 7, 2022

Advanced Placement Exams

The State of Ohio, working with public institutions of higher education, has initiated policies to facilitate the ease of transition from high school to college, as well as between and among Ohio's public colleges and universities.

Beginning in the Fall 2009 semester.

- Students obtaining an Advanced Placement (AP) exam score of 3 or above will be awarded the aligned course(s) and credits for the AP exam area(s) successfully completed.
- General education courses and credits received will be applied toward graduation and will satisfy a general education requirement if the course(s) to which the AP area is equivalent fulfill(s) a requirement.
- If an equivalent course is not available for the AP exam area completed, elective or area credit will be awarded in the appropriate

academic discipline and will be applied toward graduation where such elective credit options exist within the academic major.

- Additional courses or credits may be available when a score of 4 or 5 is obtained. Award of credit for higher score values varies depending on institution and academic discipline.

In academic disciplines containing highly dependent sequences (e.g., science, technology, engineering and mathematics), students are strongly advised to confer with the college/university advising staff to ensure they have the appropriate foundation to be successful in advanced coursework within the sequence. Learn more about AP credit awards at Tri-C.

Change of Major Field of Study

Students should change their major field of study by the 15th day of the semester. Any changes of major received after the 15th day of the semester will become effective for the following semester. Students can update their academic major by submitting changes through *my Tri-C space*. We recommend that students check with a counselor before changing majors. **All students utilizing financial aid must have a declared major on file.**

Cross-Registration

Qualifying full-time Tri-C students (currently registered for 12 or more credits) may register for one course per semester during the regular academic year, on a space-available basis, at any of the institutions participating in the cross-registration program. Participating colleges and universities in the area include Baldwin Wallace University, Case Western Reserve University, Cleveland Institute of Art, Cleveland State University, John Carroll University, Kent State University, Notre Dame College, Ursuline College and Youngstown State University.

These host institutions waive tuition and general fee charges for courses taken as part of the cross-registration program. Tri-C students are billed for the number of credits taken at the host institution using the Tri-C tuition rate once confirmation of registration is received from the host institution. Tuition and fees assessed for a cross-registration program course will be equal to tuition and fees paid by other Tri-C students with the same total number of credits and residency status.

Participation must be approved by Tri-C, and course availability must be verified by the host institution. Cross-registration forms and registration information are available in the Enrollment Center on each campus. Cross-registration is not available during the summer session. Cross-registration is available on the Friday prior to the start of class.

Degree Works

Degree Works is a software tool that significantly eases the academic advising process by comparing academic program requirements against a student's academic history. The resulting report lists courses taken that apply toward graduation, courses yet to be taken and courses that do not apply to the program major. The ability of both students and staff to obtain this information is part of an effective academic advising program.
