Education: A.A.S., Cuyahoga Community College

B.S., University of Akron

M.S., Walden University

Ed.S. in Adult Education, Walden University

About: Tabby Spiegelberg has been an adult echocardiographer (cardiac ultrasound) since 2022. She graduated from the Diagnostic Medical Sonography program, specializing in echocardiography, in 2001, the first year that the program became a separate specialty at Tri-C. She was hired at the Cleveland Clinic Main Campus as a student in 2002 and worked PRN at Fairview Hospital for over 13 years. She started teaching in the Echocardiography program at Tri-C in 2005. She spearheaded the development of the Northern Ohio Cardiac Imaging Association in 2009, which offers continuing education to local sonographers, nurses and physicians in the cardiology field. She has a huge respect for the field of echocardiography and her position as an instructor. She encourages students who are passionate about the field of echocardiography and have a love for patients and serving the community.

Stuhler, Kathryn

Assistant Professor

kathryn.stuhler@tri-c.edu
