

NUCLEAR MEDICINE TECHNOLOGY FACULTY

Bloor, Catherine

Assistant Professor

catherine.bloor@tri-c.edu

216-987-5365

Department: Nuclear Medicine Technology, Medical Assisting, Health Technology

Office Location: Western Campus, WHCS A121

Education: M.S. in Higher Education, Walden University
B.S. in Nuclear Medicine Applied Health, Siena Heights University

About: Catherine M. Bloor, RT (N), has 40 years of health care experience and is a tenured, full-time assistant professor of nuclear medicine.

She has served on national committees, including the Intersocietal Accreditation Commission as a board member, site inspector, auditor and reviewer since 2007.

Bloor is involved in many other professional associations, such as the American Registry of Radiologic Technologists, the American Society of Nuclear Cardiology on the education committee and the International Advisory Panel and is a reviewer for the Society of Nuclear Medicine Technologist Section.

She also directed and hosted Tri-C's annual Nuclear Medicine Symposium for CEUs for local technologists. Bloor has published many articles, including the American Society of Radiologic Technologists (ASRT) *Radiologic Technology Journal* article, "Classroom to Clinic," and the ASRT Scanner column, "How To Overcome Shyness in Health Careers."
