

10,000 SMALL BUSINESSES

Program description

Goldman Sachs 10,000 Small Businesses (10KSB) is a \$500 million investment to help entrepreneurs create jobs and economic opportunity by providing them with greater access to education, financial capital, and business support services.

The program is available across the United States through a network of more than 100 academic and community partners. More than 2,500 small business owners have participated, and the program continues to expand.
