

ACCOUNTING/CPA PREPARATION, POST-DEGREE PROFESSIONAL CERTIFICATE

The Accounting CPA/Preparation Certificate allows students who have earned a four-year degree in a field other than accounting to earn the required accounting credits to sit for the CPA exam. The CPA credential is the premier recognized credential in the field of accounting. Successful passing of the CPA exam will open a range of career opportunities in the public, private and non-profit accounting fields.

- Enrolled Agent

Program Admission Requirements

- Applicant must have already completed an associate degree or higher from an accredited college or university.

Program Learning Outcomes

This program is designed to prepare students to demonstrate the following learning outcomes:

1. Communicate financial and related information with internal and external constituents.
2. Work professionally, ethically, and with fiduciary responsibility to pursue the corporate objectives in a manner that is within the appropriate professional code of conduct.
3. Accurately record and apply fundamental accounting processes to properly record routine and nonroutine business transactions culminating with a complete set of financial statements.
4. Recognize when inaccuracies or other issues arise, including weaknesses in internal controls and ethical lapses that impact presentation of business results and operating activities, research alternatives, and proactively suggest solutions.
5. Meet the accounting requirements and be prepared to sit for the CPA exam.

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics

requirement. These courses were re-classified as developmental mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.

Suggested Semester Sequence

Summer Semester		Credit Hours
ACCT-1041	Individual Taxation	4
ACCT-1311	Financial Accounting	3
Credit Hours		7
First Semester		Credit Hours
