

# ACCOUNTING, FINANCE, AND TAX ONLINE CERTIFICATES

## Program Description

Corporate College, in partnership with ProTrain, is now offering a variety of quality online training programs in accounting, finance, and tax. Programs are industry-standard, affordable solutions for individuals seeking to prepare for an in-demand career that will help them achieve the goal of education to success in the workforce.

*The accounting, finance, and tax courses focus on the tools and skills you need to compete in today's ever-changing markets.*

Understanding the language of finance and business performance is essential for professionals throughout an organization. Designed by our expert faculty, our finance certificates can help you build confidence in fundamental financial acumen and increase your ability to make smarter business decisions in any function — so you aren't left out of the conversation.
