

# CAPTIONING AND COURT REPORTING, ASSOCIATE OF APPLIED BUSINESS

Within the legal field, court reporters are entrusted to record everything said in court, at depositions, and legal meetings; reporters use computer technology and specialized software in their work today. Thus, "realtime" court reporters now find many applications for their skills outside the legal field in areas such as captioning and computer access real time translations (CART) providing utilizing steno writing. This program provides the student with skills required to meet the challenges and opportunities available to court reporters in the modern workplace.
