

# FAST-TRACK WELDING CERTIFICATE PROGRAM

---

## Program Description

The Fast-Track Welding Certificate program provides basic training for students who want the fundamental skills of Stick, MIG and TIG welding. This 280-hour program prepares students for careers in the welding industry. Learn to weld in a new, state-of-the-art welding lab with current, high-tech equipment from Lincoln Electric. Upon successful completion, students will test for the AWS MIG, TIG and Stick certifications and, if they pass, receive between 1F and 4G AWS certifications.

## Other Important Information

Successful candidates are granted interviews with companies offering welding jobs in Northeast Ohio.

## Program Cost

\$4,995

## Financial aid eligibility

This program is **not** Federal Financial Aid/Pell Eligible.

Scholarships, payment plans, and other financial aid options may be available. For more information, call 216-987-6000, option 1.

## Upon completion students receive

American Welding Society certifications in MIG, Stick and TIG welding
