

# HOME INSPECTOR LICENSURE

## Program description

Corporate College® has teamed up with American Home Inspectors Training (AHIT) and the CE Shop to offer you, once again, a home inspector license.

AHIT's Ohio Professional Home Inspector Training is a nationally recognized, premier program. Offered live and online, this comprehensive training connects you with professional home inspector instructors.

The instructor-guided live courses in Ohio give you the tools to get started and thrive in your inspection career.

This highly rated package combines flexible, self-paced online courses and dedicated time spent with successful home inspectors to guide you through the program.

- Online, interactive, self-paced course
- Training completed in as few as three weeks
- High student satisfaction rate
- Tools to help you pass your exam the first time

## What's included:

- The 14 key components of home inspection
- Business and marketing guides
- Mentorship from a professional inspector
- Learning through GoPro footage of actual inspections
- Practice inspections on real homes

This step-by-step training is broken down into small segments, making learning — and passing the National Home Inspector Exam — easier than ever.

## Other important information

- Learn more important facts about home inspection on the Corporate College Home Inspector web page.
- Pre-Requisites:
  - Minimum age of 18
