

# INTERIOR DESIGN, ASSOCIATE OF APPLIED BUSINESS

Interior design is a multi-faceted profession in which creative and technical solutions are applied to interior spaces. The interior designer helps to solve the functional and aesthetic design problems in residential and commercial interiors. This program prepares students for employment in interior design studios, architectural firms, and industry related fields.

## Program Learning Outcomes

This program is designed to prepare students to demonstrate the following learning outcomes:

1. **Design Process.** Identify simple to complex design problems, collect and apply appropriate research, and generate creative solutions to present to the client.
2. **Building Construction and Systems.** Solve problems with regards to limitations and opportunities that basic structural and non-structural components, lighting, acoustics, and environmental systems place on an environment.
3. **Collaboration.** Partner with members of a design team (i.e. vendors, contractors, clients, etc.) to facilitate the translation of a design from concept to completion.
4. **Written Communication.** Prepare and utilize drawings, contract documents, presentations, technology, and concept boards to explain various elements of the design process.
5. **Oral Communication.** Explain design decisions, project progression, and logistics to clients, vendors, and third-party team members.
6. **Business Ethics.** Recognize and practice ethical standards within the design industry including a commitment to professional development and community service.
7. **Furniture, Fixtures and Equipment.** Competently select appropriate project materials and accurately build specifications.
8. **Regulations.** Identify and investigate laws, codes, and standards that impact design projects (i.e. accessibility, universal design, fire safety, etc.).
9. **Professional Practice.** Apply knowledge of business procedures to the design process utilizing appropriate forms and documentation

(i.e. quotes, estimates, bids, purchase orders, invoices, client files, etc.)
