

PLEXUS ISO 9001:2015 LEAD AUDITOR TRAINING

Program description

This course is designed for new auditors as well as those looking to sharpen their auditing skills. Participants acquire the necessary skills to become leaders in preparing and conducting first- and second-party audits using interactive methods. ISO International Standards ensure that products and services are safe, reliable and of good quality. These strategic tools reduce costs by minimizing waste and errors and increasing productivity. They help companies access new markets, level the playing field for developing countries and facilitate free and fair global trade.

Other important information

A written exam covering ISO 9001 content and the application of audit principles and practices based on ISO 19011 will be administered during class.
