ATRF-2790	Journeyman's Review and Certification	4
AIT-2990	Contracting in a Diverse World	3
DEGR-XXXX	Natural Science/Social and Behavioral Science Requirement	3
BADM-XXXX/ CNST-XXXX/ MARK-XXXX	Business, Construction Engineering Technology, or Marketing Elective ¹	3
DEGR-XXXX	General Elective ¹	3

¹ Students who plan to complete an additional certificate or degree can choose electives for this degree that may also fulfill requirements for a secondary certificate or degree. Please contact the Counseling Department for more information.

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics requirement. These courses were re-classified as developmental

mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.
