ENG-102H	Honors College Composition II	
COMM-1010	Fundamentals of Speech Communication	
COMM-101H	Honors Speech Communication	
Select one of the following:		3
POL-1010	American National Government	
POL-101H	Honors American National Government	
PSY-1010	General Psychology	
PSY-101H	Honors General Psychology	
SOC-1010	Introductory Sociology	
SOC-101H	Honors Introductory Sociology	
UST-1010	Introduction to Urban Studies	
CJ-1380	Police Academy I <sup>2,3</sup>	6
CJ-1390	Police Academy II <sup>2,3</sup>	6
Arts and Humanities		3
CJ-2280	Police Academy III <sup>2,3</sup>	6
CJ-2290	Police Academy IV <sup>1,2</sup>	6
CJ-2990	Issues in Supervision	4

<sup>1</sup> MATH-1100 Mathematical Explorations or MATH-1240 Contemporary Mathematics taken prior to Fall 2024 will be accepted to meet the Mathematics requirement for this program.

<sup>2</sup> Students will receive credit for these courses upon successful completion of the Police Academy Program.

<sup>3</sup> In order to be awarded the Associate of Applied Science Degree in Criminal Justice with a concentration in Basic Police Academy, a student must successfully complete a Basic Police Academy. This is accomplished by maintaining a "C" or higher grade in each of the

Criminal Justice courses attached to the Basic Police Academy (CJ-1380 Police Academy I, CJ-1390 Police Academy II, CJ-2280 Police Academy III and CJ-2290 Police Academy IV) as well as passing grades in the non-credit classes (ZPOL-1004 and ZPOL-1005) and passing the State Certification Examination during the course of one OPOTC certified Basic Police Academy session.

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics requirement. These courses were re-classified as developmental mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.
