

COUNSELING

The mission of the Counseling Department is to provide accessible counseling and advising services for current, former, and prospective students. Professional counselors at each of the campuses can assist students in:

- Clarifying academic and career goals.
- Mapping program of study and complementary experiences.
- Developing strategies to build on strengths and to overcome barriers.
- Accessing available collegiate and community resources to support reaching these goals.

Academic, career, and personal concerns are addressed as appropriate and needed. Direct student services are provided through individual counseling, general studies courses, and student success workshops. The Counseling Department also conducts the orientation program for new students. Students are encouraged to meet with a counselor on a regular basis to facilitate progress from initial matriculation through program completion and graduation.
