Housing

Tri-C is a commuter institution primarily designed to serve residents of Cuyahoga County and, therefore, does not provide student housing.

Campus Parking

No vehicle may be left on Tri-C property longer than 24 hours. Vehicles are subject to tow at the owner's expense thereafter. If a vehicle must be left overnight, Campus Police and Security Services must be notified. Tri-C officially closes one hour after classes end. Citations may be paid by mail or in person at any Admissions & Financial Services office. Appeals may be made within 10 days of the notice of violation either in person at the department of Campus Police and Security Services or via the online parking appeal form.

Penalty for nonpayment may include withheld grades, registration hold, impounded vehicle or warrant citation (municipal court). Parking and traffic rules and regulations have been adopted by the Cuyahoga Community College Board of Trustees to regulate traffic and parking on Tri-C property. Motorcycles, motorbikes and motor scooters are subject to the same regulations as automobiles. Motor vehicle laws of the State of Ohio are in full effect on Tri-C property.

RTA U-Pass Program

Tri-C supports the Greater Cleveland Regional Transit Authority (RTA) Student U-Pass program. The U-Pass allows eligible Tri-C students to ride free of charge on all RTA buses and rapid trains during the fall, spring and summer terms.

Eligible students must be enrolled in one or more academic credits at Tri-C, their account must be paid in full, have authorized financial aid to cover full tuition or have a tuition payment plan in place. The U-Pass must be placed in the middle of your Stomp Card, either above or below the student name and number, depending on current card design. The College administers the U-Pass program based on an agreement between Tri-C and RTA. Visit tri-c.edu/RTA for more information.

Transfer Centers

The Tri-C Transfer Centers help students navigate the process from associate degree completion to successful transfer to a four-year institution. Transfer Center specialists can help students review transfer and partnership options, find and connect with a four-year school that best fits their goals and complete admission applications. Each semester, students can sign up for appointments with visiting (external) advisors to learn more about the transferability of their credits. (Students should also meet regularly with a Tri-C counselor to discuss their Tri-C academic plan.) The Transfer Centers also offer free workshops and tours of local colleges and universities throughout the year.

Tri-C has transfer partnerships with many four-year institutions. The Office of Articulation, Transfer and Prior Learning (ATPL) promotes student success through carefully mapped transfer pathways that optimize credit acceptance, improve degree completion time and ensure the seamless transfer of coursework between Tri-C and partner institutions. Students can visit any campus Transfer Center for assistance in researching and understanding transfer partnership options.

Visit tri-c.edu/transfer for Transfer Center locations, contact information and details on current transfer partnerships.
